WHAT IS THE SUPERHERO ACADEMY:

A therapeutic and inspiring workshop pairing the Superheroes of the human world with the Superheroes of the horse world.

WHO ARE THE SUPERHEROES OF THE HUMAN WORLD?

Veterans and First Responders (Police, Fire, EMS).

WHO ARE THE SUPERHEROES OF THE HORSE WORLD?

Horses serving in Police and Therapy careers.

WHAT IS THE BENEFIT OF PARTNERING THESE SUPERHEROES TOGETHER?

Being in the presence of horses is therapeutic in nature and inspiring of learning, growth, and self reflection. In partnering with horses, we gain clarity of the energy and posture we bring to the world, learn to regulate our nervous system, and improve leadership, self awareness, and communication. Together we will partner with four regal draft horses once rescued and now serving as police horses. Come experience the life changing wisdom, acceptance, and inspiration that a horse can share in a peaceful and beautiful farm environment.
